### From the Kitchen.....

Let the season begin. It is so nice to see golfers on the course. The club has a lot of very nice events planned for May. The new menu will be out this month and I hope you are excited as we are. Our Sunday brunches seem to be picking up as well.

Remember if there is anything you would like to see as a special, please let me know. It is my pleasure to serve as your chef.

Looking forward to seeing everyone,  
Robert Eaton

### From the Pro Shop.....

Spring is here, the snow has stopped, and the golf season has officially started. The golf course is in fantastic shape and we are excited to see it start filling up. The golf event schedule is online

at [golfdanvillecc.com](http://golfdanvillecc.com) for your review. Please contact the golf shop at 217-442-6027 if you have any questions or need more information.

### Golf Plan Special

As PGA Professionals we are always happier when our members are playing better golf and excited about their games. We want our golfers meeting their golfing goals whatever they may entail. These goals are easier to attain with a game plan or a golf plan.

This spring we will be offering the Golf Plan Special. This will include a 45 minute golf evaluation/golf plan, with a follow up lesson after. The idea is to get you practicing the correct fundamentals with a purpose and having a game plan for practice and play. Hopefully this will save you time and golf shots. We are here to make your golfing experience great. Group lessons are also available upon request.

Neil 45 min Golf Plan, 30 min lesson \$80  
Ryan 45 min Golf Plan, 45 min lesson \$80

Danville Country Club Junior Golf Spring Training will be Wednesday, June 2<sup>nd</sup> and Thursday, June 3<sup>rd</sup>. Children age 8 and under will be from 5 o'clock to 5:30 and age 9 and above will be from 5:30 to 6 o'clock. The cost is only \$20. Please call the Golf Shop at 217-442-6027 for questions or to sign up.

Good Golfing,  
Neil, Ryan, & Staff

### From the Golf Course.....

It is great to see members and guests enjoying the golf course. What a privilege it is to witness the stages of Spring daily on the property of Danville Country Club! Wildlife passing through and the intense colors on trees and flowers make for quite a work environment.

We hope freezing temps are behind us, so water has been turned on at the restrooms behind #12 green and the north side of the course. Weed control in the rough and bunkers will be an upcoming priority.

A special thank you to member Jason Pinnock and Tim Pruitt for brush and tree removal at the club. We also appreciate the asphalt patching work they did on cart paths, bridges, and in the parking lot.

## From the Board of Directors.....

For the past several years, Danville Country Club's expenses have outpaced its regular income. The board has worked hard to correct our financial deficiencies by removing the management company and implementing sound fiscal management. Although our financial situation has improved, we do not have sufficient resources to maintain all our current amenities and make future investments to maintain our facilities. We have relied on generous donations and voluntary assessments to cover the most urgent Club needs in the past. Our repair expenses club-wide continue to increase from deferred maintenance, and we have found it necessary to start a capital fund to prepare for future improvements.

The DCC Board of Directors has done their best to keep dues as low as possible, and The Club has been relying on volunteers to help maintain the property. In this last year alone, the Club received thousands of dollars in donated, discounted, or free labor and materials. This handful of members recognized the Club's needs and donated their time and resources. Relying solely on the goodwill of volunteers is not a sustainable model.

To ensure that DCC remains an integral part of our community and to maintain this great property, the board of directors has implemented a new dues structure with modest increases for most member classifications.

We have identified several capital projects that will need to be addressed in the not-so-distant future. To ensure we are prepared to make these investments in our Club, we are starting a monthly capital fee. The monthly capital fee will be as follows:

Golf	\$20.00
Social	\$10.00
Golf 30 - 40	\$10.00
Golf under 30	\$5.00
Social 30- 40	\$5.00
Social under 30	\$5.00

2020 and 2021 members will be excluded from the monthly capital fee for the first two years of their membership.

These adjustments will begin May 1st.

Thank you for your continued support of the Danville Country Club. We value your membership and look forward to seeing you at the club, on the golf course, and relaxing at the pool.
