Danville Country Club

November 2020

From the Clubhouse.....

Fall is certainly here. It has been a good year so far for dining at the clubhouse. Please help us continue this by taking advantage of our curbside pickup. The menus for express curbside service will be in my weekly email to the membership. Chef and I are hopeful that we can open up again soon. We are still committed to cook and serve you at DCC. You may order anything off of the menu that you would like although Chef has put together some feature menus to help your decision making process and I have put together an online order form to make it easy for you. Hopefully we get to open back up in the month of November. I am rather excited for the wine tasting and all the events that we have planned for you. These are just postponed until we can open again.

From the Kitchen.....

I would like to take this opportunity to showcase two outstanding employees in the kitchen. Most of you already know Megan, who continues to be a great asset to the club. We also have another outstanding employee who has been here since I started in 2019. Jonathan Mason is currently enrolled in an online culinary program and is a young and upcoming chef. I would also like to thank the membership for making Megan and me feel so at home at DCC.

I know all of us are ready to put this year behind us and look forward to a great 2021. We have some great new menu items on our fall menu, and I am looking forward to hearing any input you may have on our new menus. As always my kitchen door is always open and would love to hear any suggestions you may have.

Sincerely,

Chef Robert Eaton

From the Pro Shop.....

We want to congratulate all of our winners this fall and thank everyone for their participation and support. While the tournament season is over, the weather looks good enough for golf and the course is in wonderful shape. Hope to see you soon!

Neil & Ryan

7 th	Ron Lewis/Jim Felkner	71	35/ea.
9 th	Ryan O'Shaughnessy/Rick Rotramel	66	30/ea.

From the Golf Course.....

From the Golf Course Superintendent:

We are enjoying mild temperatures and the beauty of autumn. Our green grass provides a nice contrast to the array of leaf color out there. Our trees contribute so much to this property, but we understand the frustration of searching for a golf ball among the fallen leaves. This is the season when the maintenance staff focuses on leaf cleanup. We appreciate your patience as the leaves sometimes drop faster than we can manage them, or they blow back on to the surfaces that were just cleared off.

We will soon winterize the irrigation system and other plumbing out on the property. We will likely remove the tee markers Nov. 1 so they do not get lost in the leaf cleanup process. Cups will be changed less frequently as play diminishes. However, please continue to enjoy the golf course and do not forget to look up! Our golf course provides a useful "rest stop" for interesting, migrating birds.
