Danville Country Club Members,

Happy Fall to everyone at Danville Country Club! This is my favorite time of the year, and we have a lot of events to help celebrate the season. Please keep an eye out for our weekly emails and Facebook posts that give updates on events, menus, etc.

All current members are invited to help welcome the new members. We would love to get a big crowd so the new members can see what they can look forward to! ### FROM THE KITCHEN,

My favorite time of the year, fall. I hope everyone is enjoying the cooler weather that fall brings us. With that being said, we will be offering chili through the winter months as well as some new soup and menu ideas. If there is a soup that we are not currently offering, please feel free to share your recipes. Our Prime Rib has been getting some great reviews. We will be continuing to offer this special through October. Stayed tuned for the October Burger Night Menu! Please make reservations, if possible, to assure we provide you the best possible dining experience. As always, it's my pleasure to serve as your Chef.

Chef Robert Eaton

### FROM THE GOLF COURSE,

There is still plenty of great weather for golf this time of year. We will do our best to keep up with falling leaves. While you are enjoying autumn golf, please remember to fix ball marks and fill divots on the tees and fairways.

We hope you will be patient with us as we conduct some routine fall practices such as core aeration and verti-cutting. On November 1st we will remove all tee markers from the course. This facilitates quicker and easier leaf removal.

Thank you,

Paul Sermersheim, Supt.
