Walk Schedule

The junior golf program would not be possible without the help of all the parents. The support we have received in the past years has been wonderful, and I look to the parents for help with any suggestions you may have to make this walk schedule more effective. Please plan to walk two times for each child you have in the program under the age of twelve. Please do not hesitate to call me with any questions. (217) 442-6027
