

Danville Country Club April Newsletter

FROM THE CLUBHOUSE

Welcome back to a new season at Danville Country Club. A lot of exciting new things have been established over the winter. The new Lightspeed POS system has been introduced and in use for a month now. New formats for online reservations, an Order Anywhere service, and an online DCC store with logoed apparel and other goods are now available. These can be found on our website and in all emails from DCC. Please utilize these new systems to help us serve you better. If you have any questions, please contact me and I will be more than happy to help.

This year will be full of new and classic events! This month of April will feature a Wine Dinner, Sunday Brunch, and Chinese Night. Keep an eye out for announcements regarding these events. Online event registrations are key for planning these events. If you have questions about how to RSVP for an event, please let me know. There's something for everyone, and the more attendees the merrier!

A big thank you and happy Easter to everyone who came out to the Easter Brunch! We had a record number of 252.

FROM THE POOL

Introducing Tracy Fentem – the New Pool Manager

We have an exciting pool season starting on Saturday May 27th and I am delighted to join Danville Country Club and manage the pool this summer! We have a great team in place who will be introduced soon. We have plenty of dates available for special events, so please feel free to reach out to me about pool outing inquiries.

I am a native of Danville and love being back home. I love animals, the ocean, working with wonderful people, enjoying every day, and being of service to our beautiful community.

Thank you in advance for the support of our awesome team at the DCC Pool and Snack Shop.

Look forward to seeing you all on deck!
