

Danville Country Club May Newsletter

May 2nd, 2024

FROM THE CLUBHOUSE

April showers bring May flowers, so we should have an abundance of flowers as we have definitely received plenty of rain in April! May begins a very busy season for DCC and we look forward to all the events scheduled for this month. A couple of items to keep in mind are the new reservation system, online store, and orderanywhere apps available on our website at golfdanvillecc.com.

On the course there is plenty of maintenance being done to make sure you have a wonderful experience and the best playing conditions possible. Our staff is a bit behind due to the precipitation so please work with them when out playing to make sure everyone is safe.

Abby and I have also sent out an email regarding the DCC Garden Club and adoption of landscape beds throughout the facility and course. If anyone is interested in joining the club, please contact Abby and we will get in contact as soon as possible.

We look forward to seeing all of you out at Danville Country Club this month with something happening for all members and family!

If you have any questions, please contact me and I will be more than happy to help.

We have lots of great things happening at DCC! We're going big with Derby Day this year with themed food, drinks, and mini betting games. Dress up in your finest Derby Day attire for a chance to win a prize!

Mother's Day Lunch is also right around the corner, with phone and online event reservations available.

Memorial Day weekend will feature a dinner on Saturday and the poolside lunch cookout on Monday. We'd love to celebrate Memorial Day with you and your family!

The Spring Wine Dinner was beautiful! Thank you to everyone who attended, and we hope to see you all for a Fall Wine Dinner.
