

Danville Country Club October Newsletter

FROM THE CLUBHOUSE

As the days grow shorter and the nights cooler, fall invites us to slow down and enjoy the little things. Celebrate fall with our upcoming fall events and spirited specials throughout the month. We're sure to provide lots of family activities with Halloween coming up fast.

Before you know it, our Casino Night will be here! This was one of our favorite events last year, and if you didn't make it before, you should make it this year! We'll have tables games, raffle prizes, good food, and lots of fun. This year, we're opening up the raffle prizes to donations from the members. If you have something in mind to donate as a prize, let Abby know and she'll make it happen. We also have an online donation form that we will be sending out through emails. All proceeds will go toward capital purchases and improvements. Your participation matters! Purchase tickets, invite friends, and consider making an additional donation. It'll be a great night! More information about tickets will be posted soon.

If you have any questions, please contact me, and I will be more than happy to help.

As the leaves begin to change and the air turns crisp, we're excited for our upcoming fall events!

Fridays by the Fire will put you in the fall mood with live music on the patio, fires in the firepits, good food, and good times. Check out the schedule of these Fridays by visiting our website.

We have an exciting line up of Halloween events scheduled at the Club too! We'll be hosting the Family Halloween Bash Saturday, October 26th featuring games, crafts, and the costume parade. Everyone is encouraged to dress up! Other spirited events (including the Pumpkin Carve and Paint!) will be hosted throughout the month so keep your eyes open for announcements.

See you at the Club at all our exciting events!

Don't feel like playing 9 or 18? Come use our Full Swing Launch Monitor to keep your game consistent or to work on your swing. It's a perk available for personal use and can be added to a private lesson at no charge. Reach out to us to reserve a time with the monitor.

Please look for golf event announcements through emails, Golf Shop flyers, and social media posts. As always, contact us at 217-442-6027 with any golf-related questions.
