Junior Golf Program

Our Junior Golf Program is designed to get children of all ages and skill levels into golf, providing a game they can play throughout their lives. With an emphasis on sportsmanship and safety, junior golfers will also be instructed on the fundamentals of the game as well as proper etiquette. Our main objective is to get kids excited about playing golf with their family and friends!

This year, we will meet on mostly Wednesdays with a couple of fun events on the weekends. Please see the following schedule and call the Neil T. Moore Golf Shop if you need any assistance.

Our six-week program is \$75 per junior athlete.

Walk Schedule

Our Junior Golf Program would not be possible without the help of all the parents. The support we have received in the past years has been wonderful, and I look to the parents for help with any suggestions you may have to make this walk schedule more effective. Please plan to walk two times for each child you have in the program under the age of twelve.
